

# Irish Forest School Association

## **Irish Forest School Association July 2018**

**Tenders are invited from suitably qualified and experienced companies/individuals to assist us in a review process.**

The main objective of the work is to facilitate a review process that will support the Irish Forest School Association (IFSA) committee to draw together an agreed vision and mission statement

It is envisaged that this process will provide the committee with a supported reflective space to facilitate these practical outcomes as the organisation moves into the next important phase of its development. This will also include a final agreed report including clear agreed decisions and any actions/tasks that emerge.

### **Timescale, budget and reporting requirements:**

**Date:** August 7th Time: 10.30 – 2.30pm.

**Venue:** Kilkenny County Childcare Committee, Kilkenny Education Centre, Kilkenny.

**Reporting:** The successful applicant will need to produce a report to be completed and submitted to the chairperson by 24th Aug. The budget for this will be no more than €300 inclusive of Vat.

Experience of facilitating similar processes is required and an affinity with IFSA's principles would be advantageous.
